

VEVO CONSENT FORM DECEMBER 2016

Please complete and sign this form before turning it to ANZ (or Fragomen if advised):

In order for ANZ Banking Group and Fragomen to confirm your visa status and right to work in Australia, we will need to conduct an enquiry through the Department of Immigration's Visa Entitlement Verification Online (VEVO) service. The terms and conditions of use of VEVO require that your consent is obtained prior to collecting information about you.

By conducting a VEVO inquiry we will obtain certain information about you, namely your name, date of birth, passport details and visa status. The VEVO inquiry will be done initially and then on a regular basis (as required) during your employment with ANZ Banking Group to ensure you continue to maintain a valid visa and right to work.

The VEVO inquiry will be conducted by Fragomen and the results will be shared with your employer, ANZ Banking Group. We will however not pass that information onto anyone else without your consent. However, if you are not entitled to be in Australia, the Australian government may use Fragomen's VEVO account details to locate you.

If you agree to Fragomen conducting a VEVO enquiry now and on a regular basis during your employment with ANZ Banking Group and forwarding the results to your employer, please complete the details below and sign the declaration:

Please also provide a scanned copy of your passport when returning this form.
